Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Because I feel I have the right to
choose between synthetic & natural medicines
I feel the compounded natural hormones
are better for me. Not the "one pill
helps all!" The services I receive from
specialty pharmacies provide are not
available from commercial manufacturers
not most local pharmacies
